“...at such a time as this...” —Esther 4:14

These few words are from the book of Esther. The context was for Queen Esther to do something to save the Jewish people from annihilation in the land of Persia and that God placed her in her position for this very reason. These few words have been racing through my mind for weeks now. As I sit to compose my article these are the words that just seemed to type themselves. What do they have to do with us who live in Hanover, PA in 2015?

I believe that we people of faith have a great responsibility to cry out to God on behalf of our community, state and nation. I have seen so much need come through the office doors of HACC in the past couple of months. The number of families and individuals seeking shelter has been unprecedented since the opening of the Changing Lives Shelter in 2007. Our shelter has been full for weeks, and with feelings of great frustrations and impotence in the last two weeks of August we were forced to turn down 15 family requests for shelter. The number of people in the community that need help with utilities and food has also been amazing.

People are hurting and agencies which have been a support system in the past are underfunded or are waiting for the state budget approval. A serious void is being felt and people are turning to faith-based groups to help make up the difference. Are these people

#### *From the desk of Nancy Werner (Council President)*

“We have flown the air like birds and swum the seas like fishes, but have yet to learn the simple act of walking the Earth like brothers.” This quote from Martin Luther King Jr. dates back to the 1960s. Since then science and technology has extended our reach. We have stretched to new heights with telescopes and roving vehicles on Mars. We have plumbed the depths of sub-atomic particles. Even so, decades after the Civil Rights movement, his quote still speaks truthfully about our society.

We have more to learn about the simple act of walking the Earth like brothers or neighbors, as Jesus defined the relationship in the story of the Good Samaritan. “Who is my neighbor? . . . The one who showed him mercy. Jesus said to him, ‘Go and do likewise.’” (Luke 10:25-37)

Our society has learned some valuable lessons from our history. Diversity is now

guilty of bad judgment? (many times). Do they make the same mistakes more than once? (oh yes) Do we give advice or lectures over and over that fall on deaf ears? (sadly, yes again) Do they remind us of ourselves standing before a perfect Savior? (they should). We all need help and we want to give a hand up and not just a hand out. Forgiveness, grace and mercy are definitely gifts we seek daily from a God who is good. Can we do less?

The decisions made by elected and appointed officials throughout our government are not always what we consider to be biblical, or fair, or just, or good for us but we are instructed by God to pray for our leaders, our enforcement agencies, our teachers, and all those in authority over us. In many ways we see our worst fears coming about in our world. These are times that need our prayers. The great and the small need our prayers. The wise and the unwise need our prayers. We here at the Hanover Area Council of Churches, the volunteers, clients, and staff need your prayers. We all need prayers and we have Christ's assurance that our help is in the Lord and if we ask, we will receive. In these difficult times let us all remember that this may be our purpose—to be a light and voice "for such a time as this."

---

*I urge, then, first of all, that requests, prayers, intercession and thanksgiving be made for everyone-- for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness.*  
—1 Timothy 2:1-2

Continued from page 1, "Nancy Werner"

viewed as a positive characteristic of our public institutions and civic groups. Two people this past month have shared with me their experiences with diversity and equality. Hearing about the experiences encouraged me. I know that acceptance and the embracement of diversity are carried on. Neighborliness, as Jesus would say, makes a difference! A visible difference!

In a few weeks we will walk together in the CROP walk. We will walk to raise awareness of the inequalities of food distribution. We will walk to fight hunger near and far. We will walk for the 39<sup>th</sup> time to make a visible difference in the lives of our neighbors!

For the 39<sup>th</sup> time, a large group of beautifully diverse people, with their feet will proclaim their belief that no one, not a single neighbor, should be chronically hungry. For the 39<sup>th</sup> time we will count as a blessing: the ability to walk, to quench thirst with clean water and to eat fresh, nutritious apples at the rest stops.

For the 39<sup>th</sup> time we will do the simple act of walking the Earth like brothers, sisters, neighbors! Come walk with us!

*Great Spirit, grant that I may not criticize my neighbor until I have walked a mile in his moccasins.*  
—Native American proverb

## Support Our 2015 CROP Walk

**Sunday, October 18**

**Registration begins at 12:30 PM and the walk will  
start at 1:00 PM at South Western High School**

This year's CROP walk will be dedicated in memory of George Kindon who was a long time supporter of CROP. He served many years as the chair of the CROP committee and was a regular walker.

A total of \$506,091.15 has been collected over the last 38 years worth of CROP walks. We are happy to share that 25% of that total (\$126,522.78) has been returned to the community to meet the needs of the hungry right

here in Hanover. Your participation makes a huge difference in the lives of so many in our area. Thank you for your continued support as a walker and as a donor to this very worthy cause.

**Last year the walk raised more than \$14,500 and we hope to  
exceed that and make this our BEST YEAR YET!**

If you have questions about how you can participate or to pick up a packet please call Carol Hinkle at the Council Office, 633-6353.

## SPOTLIGHT ON MINISTRY

*In a continuing feature for our newsletter we will highlight a ministry from a volunteers' experience. It is important to understand how those who do the work on a daily basis see Who We Are and What We Do!*

### Building Committee

The Council of Churches has been very blessed over the years to have such quality people on our Building Committee. This group of talented men have been able to "fix" so many things that have needed to be done in the two buildings owned by the Council. Their collective knowledge could fill a book. The members of the Building Committee either do the work themselves or they know people who will do it either at no cost or many times just for parts.

This group works very hard but recently we have had members of our group "out of commission" with health issues and in some cases their jobs. Therefore we are putting out the call for anyone who would be willing to serve on our building committee. If you have experience with or a skill to share with us such as general handyman, painting, plumbing, electrician, carpentry and uphold what we do here at the Council I invite you to come and participate with our committee. Many hands make the load lighter and the work more

evenly distributed.

The committee meets the 2<sup>nd</sup> Tuesday of each month at 7:00AM to determine what is immediate and what needs to wait for a specialist. The idea is to be able to maintain equipment and the building with as little cost as necessary. Over the years God has been good to us.

We are now at a point in time when both our main Council building and Changing Lives Shelter need a long-term maintenance schedule, since both facilities get very hard use. If this is an area you are interested in and you are able to help please contact us at 717-633-6353. Your assistance and expertise will be very much appreciated as you give this service to the Lord.

I cannot end this column without a heartfelt "Thank you and God bless you" to our present committee and those wonderful people who have given so much over the nearly twenty years here making our mission possible in this place.

—Carol Hinkle, Executive Director

### Looking for a few good men (and/or women!)

Can you install/replace a faucet? Can you the replace the floater or flap on a toilet commode? Do you like to spackle/prime/paint walls? Do you enjoy small general repair work?

If you answered yes to any of these questions we could use you on our Building Committee. If you would like to be on a call list but do not have the time to serve on the committee please forward your information to the Council office at 717-633-6353 or adminhacc@comcast.net.

### Ruth's Harvest Peanut Allergy Update

This year we have a bit of a challenge. We now have two schools that are COMPLETELY peanut-free. This means, because of a severe allergy to peanuts by a few students, nothing containing nuts or processed in the same facility with nuts, can enter the school building. Therefore, we will be in need of more peanut-free food products. This will impact only snack items and cereal but we ask that you double-check when purchasing these items.

Recently we received some very encouraging news from some of the teachers. They commented that, as the students continued receiving the weekend meals, they noticed some academic improvement. They said the children seemed to be able to concentrate better and some of their grades improved. Our prayer has always been that this program would help the children feel better and this news confirms that prayers are answered.

**Delone Catholic High School 75th Anniversary Liturgical Celebration  
highlighting "Service to Others" on October 8 at 9:30 am in the Old Gymnasium**

During 2015, Delone Catholic High School celebrates 75 years of providing a quality, well-rounded education to the young people of the Adams, York and Carroll County areas. "Service to Others" has been a central theme throughout these years and has shaped Delone Catholic graduates to serve their community, their schools, their church or congregation, and serve their nation and the world. Delone Catholic alumni have truly made an impact beyond measurement as volunteers to many efforts—improving people's lives locally and around the world.

Delone Catholic invites alumni who have served or who are serving others to attend our 75th Anniversary Liturgical Celebration on Oct. 8 at 9:30 a.m. in the Old Gymnasium. Your presence that morning will serve as a model and springboard for current students to lead volunteer efforts during the next 75 years.

If you are a Delone Catholic graduate who has served as a volunteer, or are an organization or individual who knows a Delone Catholic graduate who has volunteered and made a difference, please contact the Office of Development and Alumni Relations by Sept. 30, at 717-637-5969, Ext. 211, or email [GSlagle@delonecatholic.org](mailto:GSlagle@delonecatholic.org). **The community is welcome to attend this Catholic Mass in celebration of Delone Catholic's 75th Anniversary.**

They walk to find employment.  
They walk to go to school.

A CROP Hunger Walk is fun, but it is also an opportunity to learn what millions of people have to do each day just to survive – they walk. When you walk in a CROP Walk or sponsor someone who walks, you walk with the world. Remember that 25% comes back to Hanover. Thank you!
